CEREMONIES INITIATE CONSTRUCTION

REVOLUTIONARY

Father Barry Ever

EXPANSION BEGINS

Growth: this is the keynote of our life this year at Bishop Noll. All around us this great process is apparent. When the dust finally clears, however, we will have gained new residences for our religious faculty, theater facilities, a library equipped with an audio-visual section, and a cafeteria. Standing out from all of these structures, already near completion, is the impressive field house, which will eventually accommodate 7,000 persons.

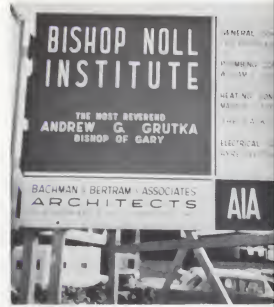

The construction at Noll symbolizes a new era for the Institute, one in which it will continue to maintain high standards and begin to be second to none in the excellence of its facilities. Growth in buildings will be paralleled by growth in academic excellence.

MAY CROWNING SPIRITS GLOW

Carrying on one of Noll's most beautiful traditions in spite of construction, which made the grotto inaccessible, Virginia Gabrish, last year's May Queen, crowned Our Lady of the Campus. Special guest of the day was our Most Reverend Bishop, Andrew G. Grutka, who addressed the assembled student body on devotion to Mary.

On April 29, 1962, the Penny Carnival, inspired and guided by Father Lukac, took place here at Noll. Once they caught Father's festive spirit, the students worked hard to make the carnival a success; each home-room sponsored its own project.

The carnival reached its climax late in the evening with the crowning of the king and queen, Peter Bonaventura and Camille Raczowski, elected by penny votes cast by their fellow students.

The amount collected, over \$4,000.00, was the students' contribution to the fund drive for the construction program.

FACULTY-MONOGRAM GAME

FACULTY SNEAKS BY THE MONOGRAM CLUB

Fr. Sedlak proved unstoppable.

Unfortunately, the "Monstrous Monogram" succumbed to the powerful force exerted by the "Ferocious Faculty."

Although the game was close and hard all the way, the faculty emerged victorious by a score of 49-46. The youth and force of the Monogram Club failed to withstand the experience and mature judgements of the faculty.

College and career night, a school sponsored event, is presented to give juniors and seniors a chance to select a college or career by meeting and talking with delegated representatives. This year students were able to name their first and second choice colleges in advance so that they could spend the first part of the evening with representatives from those schools. During the remainder of the night students and their parents were welcomed to visit any of the other colleges or careers represented.

It was May 18th and many students eagerly awaited the social highlight of the school year, the Junior-Senior Prom.

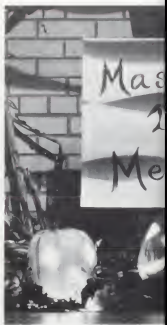

It was a beautiful night, as if Fate had smiled and commanded Nature to respond with clear skies and a bright moon.

Arriving at St. Thomas More Hall in Munster at 9:00, the juniors and seniors danced to the wonderful music of the Buddy Presner Orchestra. Carrying out the theme of the ball, "A Southern Place," the juniors had transformed the hall into a beautiful Southern mansion.

It was nearly midnight by the time the grand march, led by the king and queen, Ron Kovach and Nancy Calderone, had been completed, but the night was still young. Johnny Valentine, along with an excellent supporting cast, provided entertainment at Teibel's until 3:30. It was a night always to be remembered, but one entirely too short.

HOMECOMING

FIRST WIN, FIRST HOMECOMING

We had no place to assemble for our parade or skit; the Moose Lodge generously donated their grounds. In addition it rained, threatening the skit and postponing the game. Despite these circumstances, spirited Nollites managed to carry out traditions and win the game.

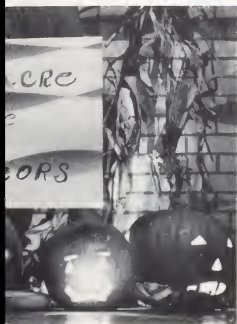

The same incessant rain caused the Homecoming dance, "Fifth Quarter Fantasy," to be held before the victory. Reigning over the festivities were John Przybyl, "Mr. Touchdown," and the vivacious queen, Bev Wohadlo.

SENIOR PLAY

PREJUDICIAL BARRIERS

Mutual sorrow for the loss of their children draws Mr. Asano, a Japanese millionaire industrialist, and Mrs. Jacoby, a simple Jewish woman, into a close and, finally, a loving relationship.

From the first casting to the final curtain call, the students worked unceasingly, both on stage and behind the scenes; together they prayed a Memorare for the success of each performance and a prayer of thanksgiving as each success passed. Only the total co-operation of all concerned, under the direction of Srs. Miriam Edward and Christopher Marie, made the production of *A Majority of One* one of the best Noll has given.

SECOND ORIENTAL HIT

OF THE YEAR

In this year's musical Rodgers and Hammerstein's *The King and I*, Anna (Mary Vargo), an attractive English widow, arrives in Bangkok, Siam, to become the governess of the king's children. The king (Mike Liscinsky) has just received Tuptim (Janet Duhon) as a gift from a foreign king. Although Tuptim is to become one of the king's wives, she is deeply in love with Lun Tha (Dave Burdelak). And so the tale is entwined with the two themes: Anna and the king, and Tuptim and her lover Lun Tha.

Pat Facovelli, Andy Fetsch, Charlie Niblick, Walter Keckich, Terry Mehan, Joe Frechette, Dick Meisterling, the faculty's children, the Choral Club, the orchestra, and numerous dancers rounded out the cast, directed by Sisters Miriam Edward, Christopher Marie, M. Angeline, Mrs. Kubeck, and Mr. Demeduk.

**RETREAT
BACCALAUREATE**

WE MUST RETREAT IN ORDER TO

PROGRESS

The religious aspect of Noll's life is evident in two of its annual events: retreat and Baccalaureate Mass.

The annual retreat offers us a time each year to turn from our daily responsibilities and devote our attention to the perfection of our spirituality.

Just as retreat strengthens us, Baccalaureate reminds us of the new impending responsibility that looms ahead. At their last Mass together, the Senior Class prays individually for themselves and their friends, that they may have guidance in the uncertain, difficult future.

Noll prepares its students for life the best way: the spiritual way.

NEW SCHOOL MERITS NEW ADMINISTRATION

This year Br. K. Daniel, Principal of the Boys, and Sister M. Alma Clare, Principal of the Girls, under the supervision of Br. I. Conrad, have combined their efforts to provide Bishop Noll with an efficient and productive administrative staff.

Perhaps the greatest contribution our administration has made to the well-being of the school is the tremendous order achieved out of the chaos and confusion existing in the student body at the beginning of the year. They have brought students to realize that conditions must change and adjustments must be made in order to bring about the creation of a better Bishop Noll.

PARENTS PROMOTE CO-OPERATION

Membership in the Bishop Noll Mothers' and Fathers' Clubs is open to the parents of all Noll students. These clubs have a common goal: to promote a spirit of co-operation among faculty members, students, and parents.

Each club sponsors separate fund raising projects, and donates the proceeds from these activities to the school.

The Mothers' Club holds card parties and raffles annually; it also sponsors the Senior Baccalaureate Breakfast. Among the activities of the Fathers' Club are bingos, an annual smoker, the Athletic Banquet, and the Pancake Breakfast.

Led by the low scoring of Bob Baran and Tim Leslie, the Noll golf team proved to be one of the best ever seen in the state. Coach Karl Huffine's boys captured the City Championship by the impressive total of twenty-six strokes. Indiana J.C. Champion Leslie, and Baran, individual city champion and medalist, were supported in fine style by the outstanding shooting of Louis Hevezi, Dan Parker, and Richard Rocky.

TRACK ALACRITY SPURS THEM TO VICTORY

Deprived of many facilities by the burning of the gym, the thinclads of Coach John Quinn demonstrated a fine spirit during the 1962 track season. Leading the team as individual stars were Dennis Muvich and Mike Allegretti, who almost dethroned Bernard Rivers as sectional winner of the 100 yard dash.

The exciting relay team, consisting of Dan Engleton, Dennis Muvich, Greg Kissela, and Frank Schilling, proved to be one of the finest in the Calumet Region—long producer of the best track teams in the state.

REVIVES ATHLETIC SPIRIT

The baseball Warriors of '61-62 settled for six wins and ten losses. Robert Bradtke will assume the coaching duties vacated by Tom Burkhart. This year's team should improve on last year's record. Bradtke will depend heavily on strong pitching from Herb Rueth and Dave Falda.

VARSITY FOOTBALL

CONSTANT IMPROVEMENT . . . TEAM'S CHIEF CHARACTERISTIC

The football squad of the Bishop Noll Warriors, guided by their new head coach, John Quinn, had many obstacles facing them at the offset of the season. The athletic staff had lost four key members from 1961-1962, and the toughest schedule in the state loomed before the eager team.

The season started with losses to two powers of the Northern Indiana Conference, LaPorte on September 1, and Hammond High on September 8, by the respective scores of 44-6 and 21-6. Indianapolis Cathedral a perennial grid power, chilled the Warriors 34-0. After losing a heart-breaker to homecoming-inspired Gary Roosevelt, Noll played the Governors from Morton. This was the fourth opponent which was destined to finish in the top ten. The team from Hammond preserved a hard fought Homecoming victory by the margin of one point. Following a sixth straight defeat, suffered at the hands of South Bend St. Joseph, the rugged Warriors won their initial and Homecoming game from De LaSalle, 32-0. The final two games of the season saw Noll run wild over the highly respected Whiting team and the Meteors from T.F. North.

Hampered by a lack of facilities, the reserves still came through with a fine season. Both Coach Demeduk, in his first season in that position, and varsity Coach Quinn were very enthusiastic about the material that showed up for the grueling practices. The team's sophomore ability was occasionally supplemented with the experience of the juniors.

Last year this group was known for its spirit and hustle; followers of the Warriors hope that the reserves can continue their good play and help the '64 team to nothing short of a state championship.

Under the capable leadership of Coach Bradtke, the "B" team battled its way to a representative 7-11 record. Because this outfit, like all recent Noll teams, was characterized by its lack of height, aggressive floor play and slick ball handling were the chief of-fensive tools.

Mr. Bradtke was a newcomer on the coaching scene this year, but he is no stranger to Warrior fans. A former all-state guard, he led Noll teams during the golden years, 1955-1956. He is greatly interested in quick reacting Jerry King, one of the few players who have played varsity ball during their sophomore year.

Another national organization of which Bishop Noll has a chapter is the National Honor Society. New members, chosen on the basis of rank in class and social contributions made to the school, are inducted twice a year: after the first semester for new senior members, and in May for juniors. Underclassmen may be admitted on a probationary basis.

Activities, such as a Book Fair and trips to Chicago for cultural events, are sponsored under the direction of Sr. Christopher Marie, and are usually opened to the student body in an effort to promote enthusiasm for scholarship and development of character.

Bishop Noll's chapter of the International Honorary Society for High School Journalists, the Quill and Scroll, was recently reorganized under Sr. Georgia.

Members of the organization, limited to juniors and seniors, must fulfill many requirements, such as ranking in the upper third of their class, having the recommendation of the co-sponsors, Mr. Ronald Partyka and Sr. Georgia, and having contributed work of superior ability to major school publications. Then the members must be approved by the national chairman.

The Joyce Kilmer Chapter has tried to award students for their work and to stimulate interest in high school journalism by inviting speakers, such as Sr. Madeleva to the meetings.

"But I'm sure that meeting was tonight at 7:00!" A problem such as this no longer arose after the Student Council initiated a School Calendar, eliminating the possibility of a duplication of meeting nights.

Activities of the group, intended to promote co-operation between student and faculty and between student and student, included the Winter

Formal, an annual spring dance, and Field Day activities.

Composed of student-elected officers and representatives, and sponsored by Fr. Joseph Sedlak, the organization is the student government of the school. Next year it will have its own Student Government Room in which to hold meetings.

Under the sponsorship of Miss Katherine O'Connor, the Bishop Noll branch of the National Forensic League, better known as the Debate Club, has become a prominent and successful organization. Membership is open to sophomores, juniors, and seniors who rank in the upper fourth of their class.

Activities consist of weekly debates with surrounding high schools and participation in various speech meets held by area service clubs.

The group annually attends the Debaters' Conference held at Purdue University.

A year of transition at Noll was appropriately marked by a change of name in the school newspaper, the *JourNoll*. Formerly known as the *Warrior*, the *JourNoll* is published by the junior and senior members of the journalism class.

This year's newsroom was located in the convent basement. Here, shut away from the world, in deep concentration, staff members wrote stories, checked copy, made page plans, and produced issues of news and features.

The paper, which is published monthly, is a member of the NSPA and the CSPA, accrediting associations. Sr. Georgia is the faculty advisor.

The highlight of the year for the student journalists was a trip to Milwaukee for the National Catholic Press Conference, November 9-11.

The 1963 *Marquette* Staff, ably directed by Mr. Ronald Partyka, has been vested with the largest and most complex student undertaking at Noll. The seniors, juniors, and sophomores who are on the staff began in April of 1962 and continued to work throughout the summer months.

The photographic services of Root Studios of Chicago have added a definite professional quality to the book. Containing many innovations, this year's book, modern in design and unique in style, will set a high standard for its successors. It is the hope of the staff that the 1963 *Marquette* will prove interesting and informative.

To produce beauty in sound is Mr. George Demeduk's aim as he conducts the Band and leads the Choral Club, the two musical organizations of the school.

This year twelve members of the Choral Club, with their selection "Sing Unto God," were able to travel to Indianapolis to participate in the state finals in musical competition where they received an "excellent" rating.

One of the newest clubs at Noll, the Tutors' Club, is also one of the most unique. Under the direction of Br. K. Daniel, its purpose is to assist students who have indicated a desire to improve their work. The members of the club must be superior students who are capable of helping others who have certain difficulties. It is the wish of the entire faculty that this club will succeed in raising the intellectual standards of Bishop Noll Institute.

Julie Della Santina, Vice-President; Noreen Kolanko, Co-Prefect; Pat Popa, Secretary; Beverly Cieslak, Representative; Dave Burdelak, Treasurer; Charlie Niblick, Co-Prefect.

C.S.M.C.

C.S.M.C. PROMOTES WORLD CENTERED THINKING

A sympathetic study of the African situation is one good example of the work that the C.S.M.C. has been trying to accomplish: teaching others of the needs of the world.

Dedicated to helping the missions of the world, the group, sponsored by Sr. M. Vincent Ferrer, annually conducts a stamp drive during January, the proceeds of which are sent to the missions.

The club also sponsors the work of four Nollites in Mexico during the summer.

Not forgetting the home mission field, the C.S.M.C. encourages student catechists and promotes the annual Christmas basket drive.

This year representatives attended the yearly convention held at Notre Dame.

Through the combined efforts of Sr. M. Faith and Dennis Streveler, the International Tape Club has sent tapes to such countries as Norway, Pakistan, and Brazil, creating better world relations and informing other countries of the American way of living. Scripts containing questions and answers on our country take from five to six hours to compose and are divided into categories, each section distinguished by its particular theme song.

BI-PHY-CHEM

SCIENCE CLUB REORGANIZES

From frogs to fish to filters: this is the range of interests of the Bi-Phy-Chem. Recently reorganized under the chairmanship of Gregory Kwasny and the sponsorship of Mrs. Michielsen, the group this year presented a science fair in connection with Andrean High School, in which they visually displayed their keen interest in the experimental sciences which the club promotes.

Teri Perz, Secretary-Treasurer; Georgette Mytych, Publicity Chairman.

PYTHAGOREAN SOCIETY MEDICAL CAREERS CLUB PREPARING FOR THE FUTURE

Pink bunnies and polka dot elephants (stuffed animals, of course!) went to the children's ward at St. Catherine's Hospital from the Medical Careers Club, a club which promotes interest in the medical professions.

Through competition within its own ranks, the Pythagorean Society gives students a chance to apply their knowledge of mathematics outside of the classroom. Meetings usually include a demonstration of geometric principles.

SEATED: Sr. Faith, Sponsor; Justina Bialek, Vice-President; Mary Lou Bolfik, Vice-President; Ted Zagar, President; Bob Meisterling, President. STANDING: Fred Sampias, Treasurer; Tom Cieslak, Treasurer; Patricia Mund, Secretary; Kathy Brock, Secretary.

Correspondence with students living in France gave French II students an opportunity to increase their knowledge of the character of the typical European.

Unable to stage its annual French production, a review of French music, literature, and culture, the club attended a *soirée* held at Brother Rice.

Other activities of the club included a trip to Chicago for the stage play *Beckett* by Jean Anouilh, and an evening of slides and a French tape from a British boy who has studied French for eight years.

Dan Engleton, Vice-President; Sr. Miriam Edward, Sponsor; Annette Gerovac, Secretary; Wallene Swentko, President.

DURING THE YEAR

Because textbooks are limited in certain respects and because understanding the people leads to a fuller appreciation of the language, language clubs provide a complement to classroom work.

To fulfill this purpose the Latin Club sponsors entertainment with a Latin flavor, banquets and a Lupercalia. Here, togas are as essential to the would-be Romans as berets are to the French.

Sr. M. Victorine is the sponsor.

Christine Kreizmer, Secretary; Kay Kenney, Vice-President; Anita Torok, President.

Pat Facovelli, President; Margaret Furman, Vice-President; Margaret Pudlo, Treasurer; Sr. Holy Innocents, Sponsor.

STUDENTS DEVELOP SKILLS

All the clever campaign signs and artistic posters found in the rooms are the work of the Prop and Publicity Club, sponsored by Miss Betty Jo Sitzberger.

Another club which promotes the use of skills is the Senior Secretarial Students, newly founded by Sr. Holy Innocents.

STANDING: Ann Fajman and Christine Bubala, Junior Chairmen. SEATED: Toni Chandler and Peggy O'Malley, Senior Chairmen.

SERVICE CLUB

CHEERFUL SERVICE

One of the oldest organizations in the school is the Service Club. Originally intended as a service to the faculty in the cafeteria, the group, composed entirely of senior girls elected in their junior year, this year ushered at the school's social and religious functions.

One social function they sponsored, however, was an annual Valentine Turn-about, always an important part of the social calendar.

SEATED: Eileen Lex, President; Mrs. Devlin, Sponsor.

Named after a Christian Brother from France who inspired many of his students to join the religious life, the Benildus Club is presently limited to senior boys, trying to make them more "vocation conscious." Br. Daniel, who served as director during this inaugural year, planned many of the activities which make the Benildus Club one of the most popular groups at Noll.

Many important activities, such as a weekend retreat and a dinner sponsored for the parents of the religious and priests who have graduated from Bishop Noll, have proven to be highlights of the year. These were sponsored by the Sigma Kappa Gamma, Society of Catholic Girls, co-organized by Sisters Alma Clare and Miriam Edward to acquaint senior girls with the four states in life.

SEATED: Jackie Jackowski, President; Sr. Miriam Edward, Sponsor. STANDING: Donna Knazur, Vice-President; Judy Phillips, Treasurer; Mary Ann Carroll, Secretary.

National Merit Scholarship

AWARDS

Al Skwartz and Trudy Souhrada, National Merit Finalists.

AWARDS

OUR DISTINGUISHED SCHOLARS

Chosen as finalists on the basis of their college board scores and the recommendations of their principals, Al Skwartz and Trudy Souhrada were eligible for scholarships administered through the National Merit Scholarship Board. Public announcement of the winners was made late in April.

Trudy, active in the National Honor Society, the Student Council, and the Service Club, plans to attend Purdue University.

A career in psychology or dentistry lies ahead for Al, who will attend Michigan State.

Andy Fetsch, Carolyn Lannin, and James Pancheri, National Merit Runners-up.

Three seniors who have received National Merit Letters of Commendation are Carolyn Lannin, Andrew Fetsch, and James Pancheri.

Carolyn, who has also received an American Legion award, will attend either Purdue or Georgetown University, where she will major in languages.

Andy, who will attend Purdue to study chemical engineering and mathematics has previously received a grant from the National Science Foundation to attend a seven week math program at Notre Dame.

J. R. Pancheri plans to attend St. Joseph's College Calumet Center and then transfer to Loyola University for his degree in English, which he plans to teach someday.

Sister M. Scholastica, C.S.C., Ph.d.

Sister M. Scholastica, chairman of the science department, authored *An Experimental Course in Chemistry for High Schools*, which was used in five chemistry classes at Bishop Noll during the school year.

The laboratory manual is designed to present chemical concepts from a fresh point of view and is completely new in form and method. The manual contains twenty-one experiments which may be used in any order with any textbook.

Many teachers across the country are trial-testing Sister's work in their own schools.

With an eye to a future in art and fashion merchandising, Vikki Koczvara, the top ranking Senior Class member, will attend either St. Mary's College, Notre Dame, or will continue at St. Joseph's College, Calumet Center, where she is getting credit for courses in art and music.

Vikki has been a delegate to both Girl's State and YCS conventions. She not only designed the sets for the French Club productions and the Christmas pageant, but also danced in each program.

Vikki Koczvara, Senior Class Valedictorian.

Tom Burke, Senior Class Salutatorian.

LAURELS BESTOWED ON

After following a college preparatory course with a heavy emphasis on science, Tom Burke, the highest ranking senior boy, has been selected as the Senior Class Salutatorian.

Chosen on the basis of his achievement test scores, Tom has been awarded the Bausch and Lomb Science Award and has been nominated for a substantial scholarship.

He will continue his studies at Wabash College, where he will study medicine.

QUALIFIED SENIORS

Leo Bonaventura, Senior Class President.

Leo Bonaventura, in his capacity as Senior Class President, has shown the leadership necessary for that position. He has written a column in the *Hammond Times* on crime prevention and is a member of the Governor's Youth Advisory Council.

Within the Student Council he has held the position of head of the Commendation Committee and has initiated the "Operation Desk Clean-Up" project which occurred in March.

Leo plans to attend Marquette University, where he will study medicine.
